

CLEMENT SUNG

FRONT-END WEB DEVELOPER

ABOUT

I am a front-end web developer with experience building web applications using HTML, CSS, Javascript, React, Firebase and API integrations. My background as a quality control analyst has helped me develop adaptability, critical analysis, and attention to detail skills that I can apply to creating clean, responsive, and accessible web applications/solutions.

WORK EXPERIENCE

QUALITY CONTROL ANALYST

Estee Lauder Companies Inc. | Dec 2019 - Mar 2021

- Performed analytical testing of in-process materials and raw materials on daily basis(10-15 samples per day) to meet release targets.
- Wrote comprehensive reports for out-of-specification results, deviations, and corrective and preventative action plans while managing time to perform daily analytical testing.
- Aided the team in daily routine instrument calibrations and analytical tests to maintain workflow.

QUALITY CONTROL CHEMIST

Apotex Inc | Feb 2016 - Dec 2019

- Performed analytical chemistry, and wet chemistry tests on various drug products, an average of 12 samples, on a daily basis
- Review chemists' documented work through LIMS(laboratory information management system) software prior to releasing the product to market.
- Worked in a QC lab following good manufacturing practices/good laboratory practices to adhere to regulatory bodies such as Health Canada and FDA and successfully completed 4+ audits
